Chapter 1 by Fanwizard

The one thing that celebrity Hope Madeleine Taylor wants is to be a normal sixteen year old, without having photoshoots everyday and enjoying her life without cameras flashing in her face everytime she stepped out of her house, and a dad that didn't abandon her when she was six. But when Hope gets her wish, her life unexpectedly takes a different turn of events, when mysterious letters arrive to her house along with a surprise visitor, changing her definition of life, family, and love.
